Dear George:

In my original letter to you, dated February 22nd, which requested authorization for time and material purchase orders on the sheet metal fabrication for System Two, I asked for an authorization of \$ 50,000.00. Your letter approving this request indicated no dollar limitation.

I want to advise you that approximately \$ 120,000.00 of time and material sheet metal fabrication purchase orders were placed under this authorization. Approval requests for all of the purchase orders have now been forwarded to you.

Sincerely,

Bob
